The screenshot shows the Sunny Portal homepage. At the top, there is a navigation bar with 'SUNNY PORTAL', a language selector set to 'US-English', and the SMA logo. The main content area features a 'SUNNY PLACES' banner with a family image and a 'Login' form on the right. The login form has fields for 'Email' and 'Password', a 'Login' button, and a link for 'I need a user account'. Below the banner, there are four widgets: 'PORTAL OVERVIEW' with statistics for PV systems, energy, and CO2; 'Example PV systems'; 'Publicly available PV systems'; and 'Plant Setup Assistant' with a 'Register now' button. Red callout boxes point to the 'I need a user account' link and the 'I need a user account' text in the banner.
